

Blackbear, hot girl bummer

fuck you, and you, and you
I hate your friends and they hate me too
I am through /3x
this that hit girl bumper anthem
turn it up and throw a tantrum

this that hit girl bumper anthem
turn it up and throw a tantrum
this that throw up in your Birkin bag
hook yup whit someone random

this that social awkward suicide
that buy your lips and buy your likes
I sear she had a man
but shit hit different when it's Thursday night

that college dropout music
every day like that
she be too thick
and my friends are all annoying
but we go dump
we go stupid
this that 10k on the table
just so we can be secluded
and the vodka came diluted
one more line
I am superhuman!
