# Little Mix, Sweet Melody

Do, do, do
Do, do, do
Do, do, do
Do, do, do

In a whole nother lifetime
There was this boy taht i knew
He made mefeel like a woman
We were young and silly fools
Anyway he was in a band
Wrote love song about me
I wasn't crazy about the words
But the melodies were sweet
Went somethihng like

Do, do, do
Do, do, do
Do, do, do
Do, do, do

Every time we'd dancing
I;d see his straying eyes
Gave him to omany chances
Pushed me keys to omany Times
Anyway he'd start acting up
And i'd be on my way to leave
But i stopped in  my tracks
When i heard this melody
And it went like

Do, do, do
Do, do, do
Do, do, do
Do, do, do

He used to sing me sweet melodies
He played me
Made me believe it was real love
Sang ne sweet melodies
But the day he did me wrong
The song couldn't go on and on and on
He used to sing me sweet melodies
He played me
Made me believe it was real love
Sang ne sweet melodies
But the day he did me wrong
The song couldn't go on and on and on

He could lie he could cheat
Over syncopated beats
I was just his tiny dancer
He had control of my feet
Yes when he come along
That's i lost a groove
There was no song in the world
To sing alone or make me move
Something /2x
Like

Do, do, do
Do, do, do
Do, do, do
Do, do, do

He used to sing me sweet melodies
He played me
Made me believe it was real love
Sang ne sweet melodies
But the day he did me wrong
The song couldn’t go on and on and on
He used to sing me sweet melodies
He played me
Made me believe it was real love
Sang ne sweet melodies
But the day he did me wrong
The song couldn’t go on and on and on

Do, do, do
Do, do, do
Do, do, do
Do, do, do

On and on
on and on

He used to sing me sweet melodies
He played me
Made me believe it was real love
Sang ne sweet melodies
But the day he did me wrong
The song couldn’t go on and on and on
