Naughty Boy, One Chance To Dance (ft. Joe Jon

I’m no professional dancer
baby, I ain’t no Michael Jackson
But I would learn any move
Get with any groove
just to dancer with you

I’ll let my feet do the talking
I met her out when I’m walking
show you what I can do
and you know it’s true
when I dance with you

give me your hand
I’ll be who I am

I ain’t no Michael Jackson
but give me a chance
one chance to dance

I’m no professional dancer
baby, give you answer
I’ll practice everyday
don’t care what record plays
when I dance with you

you talk the lead and I’ll follow
I’ll take my pride and I’ll swallow
may not have Jagger moves
But I ain’t gonna lose
When I dance with you

give me your hand
I’ll be who I am
give me one chance
one chance to dance
