Niall Horan, Put A Little Love On Me

we fight
we get high
holding on to love
we came down cause there was nothing holding us
is it wrong that I still wonder where you are
is it wrong that I still don’t know my heart

are you all dressed u
but whit nowhere to go
are your tears falling down
when the lights are low
another Friday night
tryna put on a show

do you hate the weekend
cause nobody’s calling
I’ve still got so much love
hidden beneath this skin
so darling

Put A Little Love On Me
Put A Little Love On Me
when the lights come up and there’s no shadows dancing
I look around as my heart is collapsing
cause you’re the only one I need
to Put A Little Love On Me

we wrote and we wrote
til there were no more words
we laughed and we cried
until we saw our worst
is it wrong that I still
wonder where you are
is it wrong that I still
don’t know my heart

are you all dressed up
but whit nowhere to go
are your tears falling down
when the lights are low
another Friday night
tryna put on a show

do you hate the weekend
cause nobody’s calling
I’ve still got so much love
hidden beneath this skin
will someone

Put A Little Love On Me
Put A Little Love On Me
when the lights come up and there’s no shadows dancing
I look around as my heart is collapsing
cause you’re the only one I need
to Put A Little Love On Me

last night I lay awake
stuck on the things we say
and when I close my eyes
the first thing I hear you say is
Put A Little Love On Me
Ey, Put A Little Love On Me
when the lights come up and there’s no shadows dancing
I look around an you stay and say

you’re the only one I need
so Put A Little Love On Me
you’re the only one I need
Put A Little Love On Me
