Little Mix, Your Love

(Jade)
Luxurious lovin' like Egyptian cotton
If I ain't got nothin' least I got you
I wait with the top down , a milli in the bank account
If ain't what I got but , it's what you do

(Jesy)
Deeper than oceans, as sweet as devotion, it's all I need
You pull me close and there's no way I can describe
What your love make me feel like
Oh
What your love make me feel like
Oh
What your love make me feel like
Oh
Dirty dancing in the moonlight
That's what your love make me feel like
Your love make me feel like
Oh
Your love make me feel like
Come and kiss me like a first time
That's your love make me feel like

(Leigh-Anne)
Late up on sunday , ain't workin' on monday
Let's pack up and run away , just me and you
Come closer 'cause I want it all over my body
Boy , there ain't no heartache you can't undo

(Perrie)
Deeper than oceans, as sweet as devotion, it's all I need
You pull me close and there's no way I can describe
What your love make me feel like
Oh
Your love make me feel like
Oh
Your love make me feel like
Oh
Dirty dancing in the moonlight
That's what your love make me feel like
Oh
Your love make me feel like
Oh
Your love make me feel like
Come and kiss me like a first time
That's your love make me feel like

(Leigh-Anne)
Like woah if you know you're in love
And I feel like the one
Them put'em up , put'em up in the sky
Let me sing again
Like woah you're the one that I need
Take my hand baby please
Them put'em up , put'em up in the sky
Let me sing again
