LSD (Sia, Labrinth & Diplo), Mountains

Heck yeah breathe you
Darling I see you
I hope you see me too
I want to know you

here ain’t o rocky ground
I put one million down
when you walk I kiss the ground
hey, hey, I love you

so what we gotta lose
what we gotta move
I move mountains
I can see it through
I can do it too
like a prophet

what we gotta lose
what we gotta move
I move mountains
I’d do anything for you
anything to move
move, mountains

sing it!

mountains, mountains
mountains, mountains
mountains, mountains
mountains, mountains

Lord I am so blessed

cuz you come with interest

fill up my pocket
I want to own you

so what we gotta lose
what we gotta move
I move mountains
I can see it through
I can do it too
like a prophet

what we gotta lose
what we gotta move
I move mountains
I’d do anything for you
anything to move
move, mountains

sing it!

mountains, mountains
mountains, mountains
mountains, mountains
mountains, mountains
