

Blind Channel, Dark Side (Finlandia, Eurowizja 2012)

Put your middle fingers up
Take a shot
Throw i tup and don't stop
I am , i am living that life on the dark side

Every psycho in the scene
Hands up and follwo me saying
Empire of the freaks
All drinks on me

Just another night in my pitch balck paradise
Don't wanna cry
So i gotta get paralyzed
My body is my weapon
So i keep it loaded
Till i am over the place like my head exploded
Don;t waste your prayers
They can't save us
Lifestyles of the sick and dangerous

Put your middle fingers up
Take a shot
Throw i tup and don't stop
I am , i am living that life on the dark side
Liek the 27 Club, headshot
We don't wanna grew up

I am in a cave of man made mistery
Digging a grave for myslef and my enemies
Of all the dark things that keep me wasted
You're the sweetest i've ever tasted
