Lukas Graham, Share That Love (feat. G-Eazy)

I remember driving to my side
Smoke’s up windows open
The sun’s in our eyes but it’s alright
Cause we don’t know where we’re going

We don’t need no mrror pointing back
Forget about the past who’s done is done
And tht is that
You didn’t have more than the short
And that’s on your back
But i’ll never forget the way you tuned to me and said:
