Dennis Lloyd, Never Go Back

It's not my baby
not the girl I knew then
not the girl I know now
anymore

I want to leave you
"baby don't you leave me,
baby don't you love me?
mi amor"

always look around, girl
try to see the good things
why you always say that you’re never done wrong?
“why you never hold me?
tell me that you love me
why you always assay that you’d never let go?”

I never go back
no, no, no
I never go
I never go back

I wanna do this
I don’t wanna do this
girl, we shuldn’t do this anymore
quiero dejarte
no me necesitas
porgue siempre dices
eso mi amor?

always look around, girl
try to see the good things
why you always say that you’re never done wrong?
“why you never hold me?
tell me that you love me
why you always assay that you’d never let go?”

I never go back
no, no, no
I never go
I never go back
