Rihanna, Desperado

Wow!
Wow, wow, wow, wow!

Desperado
Sitting in a old Monte Carlo
A man whose heart is hollow
Uh huh, take it easy
I’m not trying go against you
Actually, I’m going with you

Gotta get up out of here
And you ain’t leaving me behind
I know you won't,
Coz we share common interests
You need me, there ain’t no leaving me behind
Never know, no, just want out of here
Yeah, once we're gone,
Ain’t no going back

If you want, take a peek and run away
Running from and it’s out of luck, yeah, yeah,
There ain’t nothing
There ain’t nothing here for me
There ain’t nothing here for me anymore
But I don’t wanna be alone

O!
O, o, o!

Desperado
Sitting in an old Monte Carlo
We've both had our cash broken
Take it easy
I'm not trying to go against you
I can be a lone wolf fishing

Gotta get up out of here
And you ain’t leaving me behind
I know you won't,
Coz we share common interests
You need me, there ain’t no leaving me behind
Never know, no, just want out of here
Yeah, once we're gone,
Ain’t no going back

If you want, take a peek and run away
Running from and it’s out of luck, yeah, yeah,
There ain’t nothing
There ain’t nothing here for me
There ain’t nothing here for me anymore
But I don’t wanna be alone

Dear, desperado
Yeah, I don’t wanna be alone
/2x

If you want, take a peek and run away
Running from and it’s out of luck, yeah, yeah,
There ain’t nothing
There ain’t nothing here for me
There ain’t nothing here for me anymore
But I don’t wanna be alone

Yeah, yeee

Yeah, yeee
Yeah, yeee
O, o!
