Brandi Carlile, The Joke

you're feeling nervous, aren't you. boy whit your quiet voice and impeccable style don't ever let them steal your joy and your gentle ways to keep 'em from running wild that can kick dirt in your face

dress you down and tell you that your place is in the middle when they hate the way you shine I see you tugging on your shirt trying to hide inside of it and hide w much it hurts

let 'em laugh, while thet can let 'em spin let 'em scatter in the wind I have been to the movies I've seen how it ands and the joke's on them

you get discouraged, don't you girl? it's your brother's world for a while longer we gotta dance whit the devil on a river to beat the stream

call it living the dream
call it kicking the ladder
they come to kick dirt in your face
to call you waek and then displace you
after carrying your baby
on your back across the desert
I saw your eyes behind your hair
and you're looking tired
but you don't look scared

let 'em laugh, while thet can let 'em spin let 'em scatter in the wind I have been to the movies I've seen how it ands and the joke's on them
