Sam Fischer, Landslide

Quiet-like small-town bar
You and I makin' small talk 'bout nothing
But I feel somethin' with you, you
Your eyes speakin' to me
Your heart effortlessly sinks into me
And I can't stop it even if I wanted to, ooh

This love is like a landslide
Like we're falling with our hands tied
And there's nowhere left for us to hide, to hide, to hide, to hide
Yeah, this love is like a landslide
It's rushin' from the inside
And there's nowhere left for us to hide, to hide, to hide, to hide

So, say it ain't so, say it ain't so
This could be the end of the road
This love is like a landslide

Midnight dance in the streets
Your arms wrapped around me
I swear I never tasted a kiss so sweet, sweet
Right out from under my feet
So fast I couldn't see you comin'
Now I don't see no use in runnin', oh

This love is like a landslide
Like we're falling with our hands tied
And there's nowhere left for us to hide, to hide, to hide, to hide
Yeah, this love is like a landslide
It's rushin' from the inside
And there's nowhere left for us to hide, to hide, to hide, to hide

So, say it ain't so, say it ain't so
This could be the end of the road
This love is like a landslide

This love is like a landslide
Like we're falling with our hands tied
And there's nowhere left for us to hide, to hide, to hide, to hide
Yeah, this love is like a landslide
It's rushin' from the inside
And there's nowhere left for us to hide, to hide, to hide, to hide

So, say it ain't so, say it ain't so
This could be the end of the road

Say it ain't so, say it ain't so
'Cause wherever you go
I'll love you through the landslide
