

BTS (방탄소년단), All Night (Feat. Juice WRLD)

I knick out the door
yeah I kick out the door
go grap the mick
and I let out the sore
this my fammail wanna I've out my heart
this an archive I just record the flow
com to my studio magic happens
two step chillin; this feels classic
ain;t no job with no stress no pression
so baby let's go seatbelts are fastened

(zwrotka po koreańsku)
in the flashing lights
in the flashing nights
(zwrotka po koreańsku)

we keep ridin
the whole night hol' on tight

we keep all the party in tth is room all night
we don't wanna put it on the brake hold tight

(wersy po koreańsku)

all night all night
all night all night
all night all night
all night, all night
all night all night
all night all night
all night all night
all night, all night

(zwrotka po koreańsku)
