Diplo, French Montana & Lil Pump, Welcome To T

We on fire
step up in the party
step up in the party
we on fire
ride up to party
ride up to the party

welcome to the party, live it up!
welcome to the party
welcome to the party
welcome to the party

hit em up, get em up
put em up, we walkin' up
fly with my dogs
riddin' high when we pull up
fly with my dogs
riddin' high when we pull up
when we ride
when we pull up
coupe with the top down, no ceilin'
rocks on the watch now, Armageddon
roof on fire, we ride, ride
pul up in the tank, bow-bow
[???]
shawty bad, call it MJ Thriller
Welcome to the party
sippin' on the act
pull up in a Rari
DJ bring it back
Feel in love with shawty, money like Shaq
Welcome to the party

welcome to the party,
welcome to the party
welcome to the party
welcome to the party
Burn up, let it burn
Burn up, let it burn
Burn up, let it burn
Burn up, let it burn

I;mma let it burn
Burn up, let it burn
Essketit

I can't feel my body
cause I pop a lot of molly
welcome to the party
bitch, I'm about to catch a body
bitch I;m in the shit
we don't give a fuck about it
bitch i start a riot
bitch I'm about to start a riot
welcome to the trap
got my grandma sellin' crack
[???]
make a bitch do jumping jacks like she was an acrobat
got theat bitches lookin' at me crazy
cause I got face tats
drip, drip, drip
I cannot go away for a bitch
drop 5 million on my crib

now Lil Pump is rich as shit
and I;m still on probation
pop a pill I feel amazing
you just bluffin; you just hatin’
all these diamond on me skatin’
man I do this every day
spend 3000 on some shades
I got bitches L.A.
your boyfriends broke
his diamonds fake

welcome to the party,
welcome to the party
welcome to the party
welcome to the party
