Scorpions, Wind of Change (wersja dla Ukrainy)

Now listen to my heart
It says Ukraina
waiting for the wind to change

Now listen to my heart
It says Ukraina
waiting for the wind to change

A dark and lonely night
Our hopes and dreams don't die
Waiting for the wind of change

The world is closing in
Did you ever think
That we could be so close, like brothers

The future's in the air
Can feel it everywhere
Blowing with the wind of change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change

Walking down the street
Distant memories
Are buried in the past, forever

Now listen to my heart
It says Ukraina
Waiting for the wind to change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change
