BTS (□□□□□), Black Swan

the heart no longer races
when hearing the music play
tryna pull up
seems like time has stopped
that would be my first death

I been always afraid of

if this can no longer resonate
no longer make my heart vibrate
then like this may be how I die my first death
but what if hat moment's right now
right now

heartbeat pulsing slow im my ears
bump bump bump
try to flee but back into the maw
jump ump jump

no song affects me anymore
crying out a silent cry
ocean whit all light silenced
shut yeah yeah yeah
my wondering feet held in a ut
yeah yeah yeah
every nois and sound's been cut
yeah yeah yeah

kill me now
kill me now
do you hear me
sinking slowly like in a trance
struggle but it's all ocean floor
nah nah

every moment becomes eternity
yeah yeah yeah
film me now
film me now
do you hear me
do your thang
do your thang with me now
do your thang
do your thang with me now
what's my thang
what's my thang tell me now
tell me now
yeah yeah yeah

deeper
yah, I think I ma goin' deeper
I keep losing focus
no, just let go of me
let my own feet carry me
I'll go in myself
in the deepest depths

I saw myself
slowly, I open my eyes
I am in my workroom, it's my studio

take waves go
darkly by in a throe
but I'll never get dragged away again

inside
I saw myself, myself

heartbeat racing in my ears
bump bump bump
eyes wide open into my forest
jump jump jump

nothing can devour me
I shout out with ferocity

do you hear me
do your thang
do your thang with me now
do your thang
do your thang with me now
what's my thang
what's my thang tell me now
tell me now
yeah yeah yeah

ocean whit all light silenced
shut yeah yeah yeah
my wondering feet held in a ut
yeah yeah yeah
every nois and sound's been cut
yeah yeah yeah

kill me now
kill me now
do you hear me
sinking slowly like in a trance
struggle but it's all ocean floor
nah nah

every moment becomes eternity
yeah yeah yeah
film me now
film me now
do you hear me
do your thang
do your thang with me now
do your thang
do your thang with me now
what's my thang
what's my thang tell me now
tell me now
yeah yeah yeah
