Michele Morrone, Dad

I wasn’t a miracle
one more … form
I didn’t know what to do
and I live on my own

I know it’s matter to know what it’s the love
you know what I mean
it’s something precious
those are my days
used my legend
look at me now
I am a dad

words don’t..
my mistakes
I don’t care about
look at me now
I am a man

I do mistakes
my mistakes
