Sofia Carson x R3HAB, Miss U More Than U Kno

Waking u palone is something
I've been getting used to
It's beed a while since
I could call you mine

I tell all my friends that
I've been happier without you
But i still tink about
You all the time

You ripped my heart out
Split me open
I kinda wish you knew
How much you put me through
You ripped my heart out
Think you broke it
Don't know if you'll ever see
How much you hurt me

Yeah i know that i said you's be easy to forget
But i know i neber get you of my mind
Yeah i know that i said i'd wished we never met
But it only cause you let me go

I Miss U More Than U Know
I Miss U More Than U Know
I Miss U More Than U Know
I Miss U More Than U Know
I Miss U More Than U Know

When you picked up all your things
I told you i was happy
Be better off without you was a lie

You ripped my heart out
Split me open
I kinda wish you knew
How much you put me through
You ripped my heart out
Think you broke it
Don't know if you'll ever see
How much you hurt me

Yeah i know that i said you's be easy to forget
But i know i neber get you of my mind
Yeah i know that i said i'd wished we never met
But it only cause you let me go

I Miss U More Than U Know
I Miss U More Than U Know
I Miss U More Than U Know
I Miss U More Than U Know
I Miss U More Than U Know
