oh honey

oh honey
just tell me what you want me to
oh honey

oh honey

yeah I can't take it
so don't you fake it
I know your love's my destiny
yeah I can't take it
please demonstrate it
cause I'm going down in history

head like a hole
I'm on a roll
riding so high
achieving my goals
head like a hole
I'm on a roll
riding so high
achieving my goals

so full of amination and verve
