Taylor Swift, End Game (ft. Ed Sheeran & Future)

I wanna be your end of the game
I wanna be your first string
I wanna be you're a-team
I wanna be your end game
end game

Big reputation /2x
you and me,
we got Big reputation
and you heard about me
I got some big enemies
Big reputation /2x
you and me
would be a big conversation
and I heard about you
you like the bad ones too!

you so dope,
don't overdose
I's so stoke, u need a toast
we do the most, I'm in the Ghost like I'm whipping a boat
wi got reputation, girl, that don't precede me
I'm a call away whenever you need me
I'm in a g5, come the a-side
I got a bed boy persona,
that;s what they like
you love it, I love it too
cause you my type
you hold me down and I protect you with my life

I don't wanna touch you
I don't wanna be
just another ex-love you don't wanna see
I don't wanna miss you /2x
like the other girls do
I don't wanna hurt you
I just wanna be
drinking on a beach with you all over me
I know what they all say /2x
but I ain;t tryna play

I wanna be your end of the game
I wanna be your first string
I wanna be you're a-team
I wanna be your end game
end game

now well, when I was young, we connected
when we were little bit older, both sprung
I got issues and chips on both of my shoulders
reputation precedes me and rumors are knee-deep
the truth is, it's easier to ignore it, believe me
even when we'd argue, we'd not do it for long
and you understand the good and bad end up in the song
for all your beautiful traits and the way you do it with ease
for all my flaws, paranoia, and insecurities
I've made mistake and made some choices, that's hard to deny
after the storm, something was born on the 4th of July
I;ve passed days without fun
this endgame is the one
with 4 words on the tip on my tongue
I'll never say it

I don't wanna touch you

I don’t wanna be
just another ex-love you don’t wanna see
I don’t wanna miss you /2x
like the other girls do
I don’t wanna hurt you
I just wanna be
drinking on a beach with you all over me
I know what they all say /2x
but I ain;t tryna play

I wanna be your end of the game
I wanna be your first string
I wanna be you’re a-team
I wanna be your end game
end game

Big reputation /2x
you and me,
we got Big reputation
and you heard about me
I got some big enemies
Big reputation /2x
you and me
would be a big conversation
and I heard about you
you like the bad ones too!

I hit you like bang
we tried to forget it
but we just couldn’t
and I bury hatches, but I keep maps of where I put them
reputations precedes me, they told you I’m crazy
I swear I don’t love the drama, it loves me
and I can’t lot oyu go
your hand prints on my soul
it’s like your ryrs are liquor
it’s like your body is gold
you’ve been calling my bluff on all my usual tricks
so here’s the truth from my red lips

I wanna be your end of the game
I wanna be your first string
I wanna be you’re a-team
I wanna be your end game
end game
/2x
