BTS (IIII), Fix You

When you try your best, but you don't succeed When you get what you want, but not what you need When you feel so tired, but you can't sleep Stuck in reverse When the tears come streaming down your face When you lose something you can't replace When you love someone, but it goes to waste Could it be worse?

Lights will guide you home And ignite your bones And I will try to fix you

High up above or down below When you're too in love to let it go If you never try you'll never know Just what you're worth

Lights will guide you home And ignite your bones And I will try to fix you

Tears stream down your face When you lose something you cannot replace Tears stream down your face And I...

Tears stream down on your face I promise you I will learn from the mistakes Tears stream down your face And I...

Lights will guide you home And ignite your bones And I will try to fix you
