MNEK, At Night (I Think About You)

In the morning I’m ok.
Just fine in the afternoon
But at night I think about you
Like an echo in my brain
I wonder if you hear it too
Coz at night I think abiut you
And it’s just madness
How love can meet you to sadness
I;m writing weekend to much of us

At night I think about you
Even when I’m not supposed to
Baby, sleeping without yu just ain;t right
Trust me I;ve tried it 1000 times

At night I think about you
Coz I can’t shake you off my mind
And I don’t know what to do
At night I think about you
