Teyana Taylor, Kehlani, Morning

i ain’t here to play no games
I am gonna give it to you just how you want it
you can call me crazy, baby
you just drive me crazy when you touch on it
got my legs up
hands up
at attention
you make me stand up and switch up on it
make your head go ‘round and round it
got me makin’ sounds until he morning

I be screamin’
n you
got me sayin
on you
got me saying
damn

ain’t no limit what I am pullin’
when I fuck on you babe
talk that shit
play whit tah clit
and watch it rain on you
funny how you thought I tapped out when we was fuckin’
we’re just getting’ started,

hit it, quit it
feel that shit, get it
lick it, fuck it, feel it
touch it
titties in yue mouth
whit your tngue all out
