

BTS (방탄소년단), Make It Right (feat. Lauv)

in the world around me
i was going crazy
all day
all night

you were only one
who understand me
and all that I was going through

yeah I just gotta tell you
oh baby i

I could make it better
I could hold you tighter
cause through the moaning
oh you're the light

and I almost lost ya
but I can't forget ya
cause you were the reason that I survived

you were there for me
though all the times I cried
I was there for you but then I lost my mind
I know that I messed up but I promises i

I can make it right
all right
all right
I can make it right
all right
all right
I can make it right

(zwrotka po koreańsku)
all day every where
(zwrotka po koreańsku)
baby to you

(zwrotka po koreańsku)

I can make it right
all right
all right
I can make it right
all right
all right
I can make it right
