# Don Diablo, Drifter (ft. DYU)

Zoom, zoom
300 down the road
Speed tickets on the highway
Boom, boom
But you can’t keep up
Bass down, low in a tricked-out truck
Vroom, vroom
Like a Nascar Race
You’ve been chasing all day
Boob, boom
But you can’t keep up
Bass dawn, low and we can’t be stopped

I move quicker than you think
This a mosh pit
My heart is racing because my body know I’m about it
I’m swifter than Swift
You better ask Taylor Swift
Coming at yo fast, call me “Fast and Furious”
”R.I.P Paul Walker, babe
300, 300
Like a tornado girl
I call him Combo the Racer
Devastated, devastated
