BTS (IIIII), Make It Right (feat. Lauv)

in the world around me i was going crazy all day all night

you were only one who understand me and all that I was going through

yeah I just gotta tell you oh baby i

I could make it better
I could hold you tighter
cause through the moaning
oh you're the light

and I almost lost ya but I can't forget ya cause you were the reason that I survived

you were there for me though all the times I cried I was there for you but then I lost my mind I know that I messed up but I promises i

I can make it right all right I can make it right all right all right I can make it right

(zwrotka po koreańsku) all day every where (zwrotka po koreańsku) baby to you

(zwrotka po koreańsku)

I can make it right all right I can make it right all right all right I can make it right
