MOKA, Pinky Lips

I don’t wanna see your body
Moving like this
I don’t wanna treat me
Your fuc* tears
I just wanmna hold my breath
With my hands around your hips
Stop talking now
Coz I like your pinky lips

I like your pinky lips

I don’t wanna listen
The kinky sounds you make
I don’t wanna hear you laying
On this radio think
I just wanna hold your hands
tell you some dirty things
For a girl
Or kiss your pinky lips

I like your pinky lips

I like your pinky lips

I don't wnaa se
I don't wanna be
I don't wanna see
i don't wanna feel

I like your pinky lips
I like your pinky lips
