The Weeknd, Party Monster

I'm good, I'm good, I'm great
Know its been a while, now I'm mixing up the drank
I just need a girl who gon' really understand /2x
/2x

And I seen her get richer on the pole
I've seen her, I knew she had to know
I've seen her take down that tequila
Down by the liter, I knew I had to meet her
Sshe mine, girl, bump and grind
She mine, girl, bump a line
Angelina, lips like Angelina
Like Selena, ass shaped like Selena

I'm like, got up, thank the Lord for the day
Woke up by a girl, I don't even know her name /3x
Got up, thank the Lord for the day
Woke up by a girl, I don't even know her name /3x

I'm good, I'm good, I'm great
Know its been a while, now I'm mixing up the drank
I just need a girl who gon' really understand /2x

I've been poppin' just took 3 in a row
I'm down to do it again, I'm on a roll
I've seen him outside tryna reach her
You tryna leave him, you said I'm the reason
Tell me lies, girl, tell me lies
Say you're mine, I'm yours for the night
I'm the realest, she said I'm the realest
Head be genius, dick game be the meanest

I'm like, got up, thank the Lord for the day
Woke up by a girl, I don't even know her name /3x
Got up, thank the Lord for the day
Woke up by a girl, I don't even know her name /3x

Got up, thank the Lord for the day
Woke up by a girl, I don't even know her name
Bitches in my new spot, crowding up my space
Had to check the safe, check the dresser for my chains
/2x

Paranoid /6x
But I see something in you
You're paranoid
Paranoid /6x
