Drake, I'm Upset

I'm Upset
i’m working on dying
fifty thousand on my hands it’s disrespect
so offended that I had to double check
I’mma always that the mmoney over sex
that’s why they need me out the way
what you expect?
got a lot of blood and it’s cold
they keep tryna get me foe my soul
thankful for the woman that I know
can’t go 50-50 with no hoe

every monh,
I’m supposed to pay her bills
and get her what sjhe want
I still got like 7 ears of doing what I want
my dad still got chold support form 1991
out of time
people love to pop a lot of shit than come around
word to Flocko Joyde
he done sse us put it down
