# Drake, Nice For What

I wanna know who mother* representing in here tonight
hold on, hold on

I keep letting you back
how can I, explain myself

Care for me, /2x
you said you'd care for me
There for me /2x
you said you be There for me
cry for me /2x
you said you'd die for me
give to me /2x
why won't you live for me
Care for me, /2x
I know you Care for me
There for me /2x
you said you be There for me
cry for me /2x
you said you'd die for me
give to me /2x
why won't you live for me

everybody get your mother* roll on
I know shorty san she doesn't want so slow song
had a man last year
life goes on
haven't let the thing loose, girl in so long
you've been inside
know you like to lay low
I've been pepping what you bringing to the table
working hard, girl
everything paid for
First the phone bill car note, cable
With your phone out
gotta hit them angels
With your phone out
snapping like you Fabo
And you showing' off, but it's alright
And you showing' off, but it's alright
It's a short life

Care for me, /2x
you said you'd care for me
There for me /2x
you said you be There for me
cry for me /2x
you said you'd die for me
give to me /2x
why won't you live for me

that's a real one in your reflection
whiteout a follow, without a mention
you really pipo' up on these niggas
you gotta be nice fir what
to this nigggas
understand
