

# BTS (방탄소년단), We are Bulletproof : the Eternal

why had nothing but dreams  
nothing but foggy mornings  
when we opened our eyes  
we stayed up all night to dance and sing  
the endless music sheets

(gajin ge kkumbakk-e eobs –eossne  
nun tteumyeon ppuyeon achimppum  
bamsae chum-eul chmyeo nolaehae  
geu kkeut-l eobsedom agbodeul)

we barely shout  
throw all you have  
first fight with the worlds  
don't wanna die  
but so much pain  
too much cryin'  
so blunted blades
