Nelly Furtado, Feel So Close

I feel so close to you right now, it's a force-field
I wear my heart upon my sleeve, like it's a big deal
Your love comes down on me, surrounds me like a waterfall
And there's no stopping us right now
I feel so close to you right now

And I never knew I would feel what I feel when I'm with you
I never knew I would feel what I feel when I'm with you, when I'm with you
No, come close, hold me now, hold me now
Come close and hold me now, hold me now

Cause there's no stopping us right now, oh oh
I feel so close to you right now
I feel so close to you right now, a force-field
There's no stopping us right now

I never knew I would feel what I feel when I'm with you
