TWENTY ONE PILOTS, Trees

[Verse]
I know where you stand, silent in the trees
And that's where I am, silent in the trees
Why won't you speak where I happen to be?
Silent in the trees, standing cowardly

[Chorus]
I can feel your breath
I can feel my death
I want to know you, I want to see
I want to say
Hello, hello
Hello, oh, hello

[Refrain]
Da da, da da da, da-da
Da da, da da da, da-da
Da da, da da da, da-da
Da da, da da da, da-da

[Verse]
I know where you stand, silent in the trees
And that's where I am, silent in the trees
Why won't you speak where I happen to be?
Silent in the trees, standing cowardly

[Chorus]
I can feel your breath
I can feel my death
I want to know you, I want to see
I want to say

Hello (Da da, da da da, da-da
Da da, da da da, da-da)
