Noah Cyrus, I'm Stuck

I’ve been a wild dog in this part of town
No gun-slinging, no fool can bring me down
Now I’ve finally met my match
And he’s the baddest boy around
And I’ll say it loud and proud

I’m stuck /2x
That boy he messed me up
I’m a fighter
I’m a champion
But I’m hanging up the gloves
I’m stuck /2x
Cause your love has tamed the devil out of me
Stole my heart and pulled the rug under my feet
I was a careless Casanova
But you made my heart go weak
And I’m stuck /2x

I’m stuck /2x

I never liked that kind of guy who picked up the bill
The kind of guy who ate dessert before he had a meal
When you come around in your skinny jeans
I don’t know how to feel
But now I know the drill

I’m stuck /2x
That boy he messed me up
I’m a fighter
I’m a champion
But I’m hanging up the gloves
I’m stuck /2x
Cause your love has tamed the devil out of me
Stole my heart and pulled the rug under my feet
I was a careless Casanova
But you made my heart go weak
And I’m stuck /2x

I’m stuck /2x

What he wants
He know just what he wants
/2x
I;m the baddest superwoman to the candy on his arm
I’m stuck /2x
