We can't just keep talking about it
We think too often about it
We can’t just be cautions about it
I wanna get wild

Take me for a ride, boy
Show me your wild side, boy
Know it’s been a while , boy

We can't just keep talking about it
We think too often about it
We can’t just be cautions about it
I wanna get wild

Take me for a ride, boy
Show me your wild side, boy
Know it’s been a while , boy
I wanna get wild
