Oliver Heldens, Fire In My Soul (ft. Shungudzo)

touch me like you never touched somebody before
you are made of pure dreams
mixed with champagne for sure

do you ever wonder how good life could be?
you don’t have to wonder
just be next to me!

there’s a fire in my soul
it’s the gasoline in you
make me burn out of control
there’s a fire in my mouth
only you could put in out
come on over put it out

there’s a
fire in my soul
there’s a

touch me like you never touched somebody before
you are made of pure dreams
mixed with champagne for sure

do you ever wonder how good life could be?
you don’t have to wonder
just be next to me!

there’s a fire in my soul
it’s the gasoline in you
make me burn out of control
there’s a fire in my mouth
only you could put in out
come on over put it out

there’s a
fire in my soul
there’s a
