Patryk Żywczyk, Way Down We Go

Father tell me
Do we get what we deserve?
We get what we deserve?

And way down we go /2x
Say way down we go /2x

You let your feet run wild
Time has comes as we all go down
But for the fall, my heart
Do you dare to look him right right in the eyes?
Coz they will run you dawn
Down till the dark
Yes, they will run you down
Down till you fall
And they will run tou down
Down to your core
Till you can’t crawl more

And way down we go /2x
Say way down we go

Yes, they will run you down
Down till you’re caught

And way down we go /2x
Say way down we go
