

Cage The Elephant, Trouble

We're at the table by the window with view
Casting shadows, the Sun was pushing through
Spoke a lot of words
I don't know if I spoke the truth

Go so much to lose
Got so much to prove
God, don't let me lose my mind

Trouble on my left
Trouble on my right
I've been facing trouble almost all my life
My sewer love, won't you pull me through?
Everywhere I look I catch a glimpse of you
O said: It was love and I did it for life
Did it for life

Will I come to pass or will I pass the test?
You know what they say
The wicked get no rest
You can have my heart any place any time

Go so much to lose
Got so much to prove
God, don't let me lose my mind

Trouble on my left
Trouble on my right
I've been facing trouble almost all my life
My sewer love, won't you pull me through?
Everywhere I look I catch a glimpse of you
O said: It was love and I did it for life
Did it for life
