Zayn Malik, There You Are

Only you know me the way you know me
Only you forgive me when I'm sorry

need you when i'm broken
when I'm fixed
need you when I'm well
and when I'm sick
friends that I rely on
don't come through
they run like the river
but not you

can't see when I'm falling
losing myself
but then I here you calling

there you are
there you are
you're there with open arms
there you are
there you are
and I run

whispers in the background
behind closed doors
got myself in a mess
and with out you I'm in more
I'm little drunk no
that's why I went to war
you are my sober
when I'm on the floor

can't see when I'm falling
losing myself
but then I here you calling

there you are
there you are
you're there with open arms
there you are
there you are
and I run

only you know me the way you know me
only you forgive me when I am sorry
even when I mess it up
there you are

need when I am hot
when I am cold
need you when I am young
when I am old
you won't be far

can't see when I'm falling
losing myself
but then I here you calling

there you are
there you are
you're there with open arms
there you are
there you are
and I run
