Dua Lipa, That Kind Of Woman

one look was enough
enough for me
the whole room stops
and i be to be one
one of many

caus it's a bee houndret of the speaking
i can;t make understand
and now it's only one for you
 it's only one for you
and i wanna it

That Kind Of Woman
That Kind Of Woman, Woman
That Kind Of Woman, Woman

hard to pretend
i cna;t resist any longer

i cpic you from the corwd
don;t come to me

caus it's a bee houndret of the speaking
i can;t make understand
and now it's only one for you
 it's only one for you
and i wanna it
