

Calvin Harris, Giant (with Rag'n'Bone Man)

I understood loneliness before I knew what it was
saw the pills on your table for your unrequited love
o would be nothing without you holding me up
now I am strong enough for both of us
for both of us, for both of us, for both of us

I am a giant
stand up on my shoulders
tell me what you see
I am a giant
we'll be breaking boulders underneath our feet

I am /5x
I am a giant
/2x

don't hide your emotion
you can throw down your guard
and freed from the notion
we can be who we are
you taught me something
the freedom is ours
it was you that taught me living is
togetherness /3x

I am a giant
stand up on my shoulders
tell me what you see
I am a giant
we'll be breaking boulders underneath our feet

I am /5x
I am a giant
/2x

going to shake
throw it away
in the dirt under me
going to shake
throw it away
in the dirt under me
going to shake
throw it away
in the dirt under me
going to shake
throw it away
in the dirt under me
going to shake
throw it away
going to shake
throw it away
going to shake
throw it away
