

Calvin Harris, Hard to Love (ft. Jessie Reyez)

[Verse 1: Jessie Reyez]

I don't like to talk
But I love to sing
And I don't smoke
But I love to drink
I'm paranoid
I don't miss a thing
But I'm still nice
At least that's what I think
Fall in love
Like I'm a freak
But then I pull out, and say
"I need freedom, I need freedom"

[Pre-Chorus: Jessie Reyez]

I guess I'll take it, heartbreaker
A title, I can't shake it, can't fake it
I guess I'll take it, heartbreaker
A title, I can't shake it, can't fake it

[Chorus: Jessie Reyez]

Baby, I'd rather be hard to love
Than easy to leave, you should believe me
I'll make you need me
I'd rather be hard to love
Than easy to leave, you should believe me
I'll make you need me

[Verse 2: Jessie Reyez]

'Course you love me
You don't know me
But I got news for you, I came broken
Ego issues, my head is swollen
I got a million chips on my shoulder
But if you stick this by all I shoulder
Maybe you don't need freedom, freedom

[Pre-Chorus: Jessie Reyez]

I guess I'll take it, heartbreaker
A title, I can't shake it, can't fake it
I guess I'll take it, heartbreaker
A title, I can't shake it, can't fake it

[Chorus: Jessie Reyez]

Baby, I'd rather be hard to love
Than easy to leave, you should believe me
I'll make you need me
I'd rather be hard to love
Than easy to leave, you should believe me
I'll make you need me

[Bridge: Jessie Reyez]

Go deeper, go deep
I love it when your roots go deep so I know you won't leave
Go deeper, go deep
I love it when your roots go deep so I know you won't leave
Go deeper
I like being ugly, that way if they love me
I know that they love me for real
I like being ugly, that way if they love me
I know that they love me for real
I like being ugly, that way if they love me
I know that they love me for real

I like being ugly, that way if they love me
I know that they love me for real

[Refrain: Jessie Reyez]

Go deeper
Go deeper
Go deeper
Go deep

[Outro: Jessie Reyez]

Oh my God, that feels nuts on its own
That shit feels like fucking
That shit feels like, that shit feels like some ego tripping shit
