

# Calvin Harris, Hard to Love (ft. Jessie Reyez)

[Verse 1: Jessie Reyez]

I don't like to talk  
But I love to sing  
And I don't smoke  
But I love to drink  
I'm paranoid  
I don't miss a thing  
But I'm still nice  
At least that's what I think  
Fall in love  
Like I'm a freak  
But then I pull out, and say  
"I need freedom, I need freedom"

[Pre-Chorus: Jessie Reyez]

I guess I'll take it, heartbreaker  
A title, I can't shake it, can't fake it  
I guess I'll take it, heartbreaker  
A title, I can't shake it, can't fake it

[Chorus: Jessie Reyez]

Baby, I'd rather be hard to love  
Than easy to leave, you should believe me  
I'll make you need me  
I'd rather be hard to love  
Than easy to leave, you should believe me  
I'll make you need me

[Verse 2: Jessie Reyez]

'Course you love me  
You don't know me  
But I got news for you, I came broken  
Ego issues, my head is swollen  
I got a million chips on my shoulder  
But if you stick this by all I shoulder  
Maybe you don't need freedom, freedom

[Pre-Chorus: Jessie Reyez]

I guess I'll take it, heartbreaker  
A title, I can't shake it, can't fake it  
I guess I'll take it, heartbreaker  
A title, I can't shake it, can't fake it

[Chorus: Jessie Reyez]

Baby, I'd rather be hard to love  
Than easy to leave, you should believe me  
I'll make you need me  
I'd rather be hard to love  
Than easy to leave, you should believe me  
I'll make you need me

[Bridge: Jessie Reyez]

Go deeper, go deep  
I love it when your roots go deep so I know you won't leave  
Go deeper, go deep  
I love it when your roots go deep so I know you won't leave  
Go deeper  
I like being ugly, that way if they love me  
I know that they love me for real  
I like being ugly, that way if they love me  
I know that they love me for real  
I like being ugly, that way if they love me  
I know that they love me for real

I like being ugly, that way if they love me  
I know that they love me for real

[Refrain: Jessie Reyez]

Go deeper  
Go deeper  
Go deeper  
Go deep

[Outro: Jessie Reyez]

Oh my God, that feels nuts on its own  
That shit feels like fucking  
That shit feels like, that shit feels like some ego tripping shit
