Duncan Laurence, Love Don’t Hate It

I wasn't ready for this
I wasn't ready for my heart to drop
The way that it did
I can't deny, I can't deny
I feel it in every kiss
It's slowly taking over every thought
Have you been sleeping on it?
Well, so have I, so have I

Look at us, we could have it all
So damn right, that it should be wrong
Let's not complicate it
If it's love, don't hate it
Don't pull back if you start to fall
Let ourselves get a little lost
Let's not complicate it
If it's love, don't hate it

Look at us, we could have it all
Look at us, we could have it all
But if we don't try, then we'll never know

Lay your head on my chest
I wish that we'd be like this every night
You don't gotta be stressed
Just close your eyes, close your eyes
Feels so good when I have you in my arms
Really think it's right where you belong

Look at us, we could have it all
So damn right, that it should be wrong
Let's not complicate it
If it's love, don't hate it
Don't pull back if you start to fall
Let ourselves get a little lost
Let's not complicate it
If it's love, don't hate it

Look at us, we could have it all
Look at us, we could have it all
But if we don't try, then we'll never know
If we don't try, then we'll never know
Look at us, we could have it all
Look at us, we could have it all
But if we don't try, then we'll never know

Oh, oh-oh, oh-oh...

If we don't try, then we'll never know (Oh-oh-oh)
If we don't try, then we'll never know
Oh, oh-oh, oh-oh...

If we don't try, then we'll never know (Oh-oh-oh)
If we don't try, then we'll never know

Look at us, we could have it all
Look at us, we could have it all
But if we don't try, then we'll never know
