Duran Duran, Black Moonlight

We are on procession, with the crucial, with the wild
Taken in possession by the music & beguiled

HOLD TIGHT! We're going out TONIGHT
Under the BLACK MOONLIGHT
Move 'til we're OUT OF SIGHT
Into the BLACK MOONLIGHT
Alive in the DEAD OF NIGHT
Under the BLACK MOONLIGHT
Waving it all GOODBYE
Into the BLACK MOONLIGHT

Riding on the rhythm of a drama on the wall
Fire of desire paints your shadow face for war

HOLD TIGHT! We're going out TONIGHT
Under the BLACK MOONLIGHT
Dance 'til we're OUT OF SIGHT
Into the BLACK MOONLIGHT
Alive in the DEAD OF NIGHT
Under the BLACK MOONLIGHT
Waving it all GOODBYE
Into the BLACK MOONLIGHT

dark magic imagine
the shameless attraction
in passion we're nearly there

HOLD TIGHT! We're going out TONIGHT
Under the BLACK MOONLIGHT
Move 'til we're OUT OF SIGHT
Into the BLACK MOONLIGHT
Alive in the DEAD OF NIGHT
Under the BLACK MOONLIGHT
Waving it all GOODBYE
Into the BLACK MOONLIGHT
We're going out TONIGHT
Under the BLACK MOONLIGHT
Dance 'til we're OUT OF SIGHT
Into the BLACK MOONLIGHT
Alive in the DEAD OF NIGHT
Under the BLACK MOONLIGHT
Waving it all GOODBYE
Into the BLACK MOONLIGHT

dark magic imagine
the shameless attraction
re-setting the fashion
for getting some action
