Ed Sheeran, South of the Border (feat. Camila Ca

she got the mm
brown eyes
caramel thighs
long hair
no wedding ring, hey
I saw you looking form across the way
and now I really wanna know your name

she got the mmm
white dress
but when she’s wearin’ less
man, you know that she drives me crazy
the mm, brown eyes, beautiful smile
you know I love watching you do your thing

I love her hips
curves, lips say the words
te amo, mami, ah, te amo, mami
i kiss her
this love is like a dream

so join me in this bed that I am in
push up on me and sweat, darling
so I am gonna put my time in
and won’t stop until the angels sing
jump in that water, be free
come south of the border with me
jump in that water, be free
come south of the border with me

he got that mmm
green eyes
givin me signs
that he really wants to know my name
hey, I saw you lookin’ form across the way
and suddenly, I am glad I came, ay!
ven para aca quiero bailar
toma mi mano
quiero sentir tu cuerpo en mi, estas temblando
mmm, green eyes, taking your time
now we know we’ll never be the same

I love his hips
cause he says the words
te amo, mami, ah, te amo, mami
don't wake up
this love is like a dream

so join me in this bed that I am in
push up on me and sweat, darling
so I am gonna put my time in
and won’t stop until the angels sing
jump in that water, be free
come south of the border with me
jump in that water, be free
come south of the border with me

flawless diamonds
in a green field near Buenos Aires
Until he sun’s rising
we won’t stop until the angels sing
jump in that water, be free
come south of the border with me
jump in that water, be free

come south of the border with me

you never live ‘til you risk your life
you wanna shine
you gotta get more ice
an I your lover or I am just your voice?
a little crazy, but I am just your type
you want the lips and the curves
need the whips and the furs
and the diamonds I prefer
and my closet his and hers
you want the lil mamacita, margarita
Ii think that Ed got a lil jungle fever
you want more then?
sound boring;
legs up and tongue out, Michael Jordan
go exploring something foreign
but it up, a rain forest, it be pourin;
kss me like you need me, rub me like a genie
pull up to my spotted Lamborghini
cause you gotta see me
never leave me
you got a girl that could finally do it all
drop a album
drop a baby
but I never drop the ball

so join me in this bed that I am in
push up on me and sweat, darling
so I am gonna put my time in
and won’t stop until the angels sing
jump in that water, be free
come south of the border with me
jump in that water, be free
come south of the border with me

come south of the border with me
come south of the border with me
come south of the border with me
jump in that water, be free
