SAINt JHN, I Can Fvcking Tell

I Can Fvcking Tell
you use to lve me still
meand to Fvcking Tell
riding all the way
I Can Fvcking Tell
you use to lve me still
living like my way

She don't believe in God
she close to dark
I told her: "Girl, when the summer chills,
you get way too dark"
She stood there with a left hand on a gun,
right hand on her heart
She don't believe in the antidote,
she wanna feel the pain
