

# Carly Rae Jepsen, Party For One

if you didn't know that you were right for me  
then there's nothing I can say  
tried call you up to spans some time to see  
but somebody's in your way

tired to let it go and say I'm over you  
I'm not over you  
but I am trying

party for one  
if you don't care about me  
I will just dance by myself  
back on my beat

I'll be the one  
if you don't care about me  
making love to myself  
back on my beat

you don't want my love  
if you don't care about me  
I will just dance by myself  
back on my beat

party for one  
if you don't care about me  
making love for myself  
back on my beat

once upon a time  
I thought you wanted me  
where there no one else to kiss  
was it all a dream  
I let myself believe  
I am not over this

but I am trying

party for one  
if you don't care about me  
making love for myself  
back on my beat

I'll be the one  
if you don't care about me  
making love to myself  
back on my beat

you don't want my love  
if you don't care about me  
I will just dance by myself  
back on my beat
