Scooter, FCK 2020

i don't give a penny
fuck 2020
posse
united we stand
first we save the rave
then we save the world!

We got the power!

A nightmare came true
The worst year ever
No everyone succed
Teh every one is insane
Insane, mad and rave

We running
Till we can’t no more
No obstacle
And hold us back …
We’re unstoppable
There's imposibe
we reach for more
We keep running
Coz we are unstoppable
We running
Till we can’t no more
No one …
And hold us back …
We’re unstoppable
There;s imposibe
We keep running
Coz we are unstoppable

we won’t stop
the next year we drop
i don't give a penny
fuck 2020

We running
Till we can’t no more
No obstacle!
And hold us back …
We’re unstoppable
There's imposibe
we reach for more
We keep running
Coz we are unstoppable

We running
Till we can’t no more
No obstacle
(We never stop)
And hold us back …
We’re unstoppable
There's imposibe
(I hate all the rulez)
we reach for more
We keep running
Coz we are unstoppable
