Scooter, Groundhog Day

remember
we make the ground shake
we're dancing till we fait

turn it up
yeah!

living in a timeloop
like Groundhog Day
no life without party
no life if we don't play!

am i feel you nowa
come and help
to find my way out
am i dreaming now
come and help
to find my way out
my way out

shake your hips
and do teh steps
this is a moment i feel alive!
